Carried

The church property sold for \$72,000. After expenses we have \$67,000 which has been placed into chequing.

Discussions were held on what we can do with the money from the sale of the property. One suggestion was to donate some of the money to the Meridian Pastoral Charge as well as Trinity Lutheran Church. The Lutheran church has some very expensive repairs that need to be done such as weeping tile to fix draining issues. Meridian Pastoral Charge is always in need of financial help.

We could also put the money into a GIC or savings. The difference in interest would be \$450. Michele said that we have not needed to use the large GIC because of donations such as the Fetterman Fund. Michele suggests we place it into savings so that it is accessible.

Inga Livingston moved that we donate \$10,000 to the Trinity Lutheran Church and \$10,000 to Meridian Pastoral Charge, seconded by Michele Ammeter.

Diane gave us each a handout to review with the remit information. We are encouraged to go to go to YouTube prairie to pine because there is good information about this subject.

A motion to adjourn was made by Sharon Masse at 12:29
